RNA FOR A BETTER LIFE IN THE HEIGHTS

RIVERVIEW Neighborhood Association

May, 1996

232 Ogden Avenue - Jersey City, N.J. 07307 - (201) 798-0493

RNA IS NOT AFFILIATED WITH ANY POLITICAL PARTY, ORGANIZATION OR ELECTED OFFICIAL

RNA's 12TH ANNUAL FLEA MARKET

RNA is one month away from another of our annual springtime events. This year, RNA will hold its outdoor Flea Market on Saturday, June 1st between the hours of 9AM and 4PM. This is a time when we as a community come together and enjoy ourselves in Riverview-Fisk Park. In addition to marvelous bargains and sales, there will be local entertainment, activities for the children, and a few surprises as well.

To make this event as successful as past years, RNA asks our neighbors, members and friends to help in the following ways:

RNA TABLE: We will once again set up our RNA table to sell donated items to finance community activities. Please look around your home or apartment for various items that you are not using or not in need of anymore. All items, including clothing, should be in fairly good condition. Please bring these items to the RNA Table, located north of the park pavilion, the morning of the flea market.

COFFEE TABLE: RNA is also asking for baked goods which will be sold at our coffee and cake table. Although homemade goods are preferred, there may be some who cannot bake, so we will also be accepting store-bought items. These bakery products should be brought to the coffee table on the morning of the Flea Market. Please use disposable pans or plates as it is hard to keep a record of whose property must be returned.

PLANT TABLE: Last year RNA set up a plant table where we sold various plants and flowers for our Park fund. It was such a success that we are going to do it again. So we need contributions of empty pots and containers as well as different plants and flowers to put in them.

VOLUNTEERS: If people have would like to volunteer to help at any of these tables or would like to suggest another activity for the flea market, please come to our May 14th meeting and tell us about it.

Remember, RNA and the Flea Market are community activities - they're only as successful as people make them. Please join us and enjoy the day in the Park!

[Anyone interested in participating as a vendor in this outdoor flea market, should fill out and send in the application on page two of this newsletter.]

WE LIVE IN THE RIVERVIEW NID

RNA is part of the newly organized Riverview Neighborhood Improvement District (NID) in the Heights. The NID program was created by the City to improve the quality of life in our community. It is a partnership of city agencies, the police department and RNA to solve the problems that are affecting our neighborhood. **Ufredo Merchan** is the manager of the Riverview NID.

For this program to be successful, it is necessary that Ufredo become familiar with our local neighborhood. Please call him and introduce yourself. Let him know what the problems are on your block. Remember, he can only be as effective as we allow him to be. He can be reached by calling his **BEEPER NUMBER: 205-8216**. Leave your telephone number and he will return your call. He can also be reached at his office at **547-5682**.

ANOTHER SUCCESSFUL SPRING CLEAN-UP

On Saturday, April 20th, a group of 43 boys and girls from the neighborhood accompanied eight adults on an RNA Spring clean-up campaign. Working as teams, the volunteers, armed with brooms and shovels on loan from the Jersey City Incinerator Authority, were able to cover the grounds of Riverview-Fisk Park, the Community Garden, as well as, the sidewalks of Palisade Ave from Congress to Franklin Streets.

The afternoon was spent sweeping, shoveling, and collecting cans and bottles. The clean-up activities culmunated with a lunch at Donna's Pizza. RNA would like to thank all who helped to make this a cooperative endeavor. In particular, we would like to thank JCIA's Clean Communities Program, Ms. Brown and the students of P.S. #8, Patrick Moore, Michelle Pierro, Greg Brickey, Greg Butterfield, Valerie Rea, Ufredo Merchan, and our Community Services Police Officers, Scott Schnee and Lorenzo Tosado.

HELP BEAUTIFY YOUR NEIGHBORHOOD!

RNA is looking for adults and children to volunteer and work in our COMMUNITY GARDENS in RIVERVIEW-FISK PARK!

For more information, call: 792-6390.

THE TWELFTH ANNUAL RNA FLEA MARKET
VENDOR CONTRACT

SPONSOR: RIVERVIEW NEIGHBORHOOD ASSOCIATION

DATE: SATURDAY, JUNE 1, 1996
(RAINDATE: JUNE 8, 1996)

LOCATION: RIVERVIEW - FISK PARK
Ogden & Palisade Avenues, between Griffith & Bowers Streets,
JERSEY CITY HEIGHTS

TIME: 9:00 AM - 4:00 PM (Dealers may arrive anytime after 7:30 AM.)

Attn: Flea Market

RNA INCORPORATED

At the May 14th meeting, RNA members will finally be asked to vote on two important issues: proposed amendments to our governing By-Laws and the decision to incorporate our organization. There will be a discussion and a formal vote on both issues. The Executive Committee asks all its members, neighbors and friends and all interested residents to participate in these decisions. [This vote has been delayed because of more pressing matters discussed at the last two meetings.]

The purpose of becoming a nonprofit incorporation is to allow RNA to solicit donations and apply for grants for its community projects. The first step is to become a corporation in New Jersey. The second step is to apply for tax exempt status to the Internal Revenue Service.

To begin this process, RNA must approve two corporate documents: the Certificate of Incorporation and the By-laws. In the December-January newsletter, RNA published a working draft of these two documents for public comment. Proposed changes to the By-laws were printed in the April newsletter.

THE 1996 SUMMER BASKETBALL LEAGUE

RNA, in conjunction with the Jersey City Department of Recreation and Cultural Affairs, is planning to run a summer basketball program in Riverview-Fisk Park for young people, ages 10 through 18. Last year's participants are anxiously awaiting the opportunity to display their talents again. However, to assure the league's success, we are in need of increased adult supervision.

If you or someone you know is interested in coaching or managing a team of local youth, ages 10 to 15, or 16 to 18, this summer please contact Patrick Moore at 792-9390.

In a similar vein, RNA will also be sponsoring a team of young adults, ages 18 and above, in a senior basketball league in Hamilton Park this summer. Team participants are expected to volunteer their time helping the youth league in our neighborhood. We are also hoping to sponsor a community challenge between the RNA senior team and the "WE CARE" police team. Again, adult volunteers are essential in stabilizing successful teamwork.

Patrick Moore

RNA Minutes: April 9, 1995

At the April 9th RNA meeting, Police Captain Donald Myers and Sgt Dan Lisi of the North District were our guest speakers. Plans were also discussed for several upcoming events, including the April 20th cleanup of Palisade Avenue and Riverview-Fisk Park, the Treescape program, and Summer Basketball.

North District Police:

Captain Donald Myers of the North District Jersey City Police, along with Community Service (CS) Sergeant Dan Lisi and CS Officers Scott Schnee and Lorenzo Tosado, spoke to the group about police plans for the area. Officers Schnee and Tosado had just made an arrest, and Officer Schnee joined the meeting late because he was processing the prisoner. The police reported to us that there had been 10 arrests the night before, at Hutton & Palisade, where 56 bags of marijuana had been confiscated.

The Captain introduced Sgt Lisi, who will be in charge of the CS Officers. Sgt Lisi is in his 16th year with the JC Police, and has served as a detective and as the department's tactical training officer. Sgt Lisi plans to use the CS force to implement what he calls "Operation MOVE" - for Mobile Officer Violation Enforcement. This operation will use tactical methods to aggressively saturate the NID area, concentrating on quality of life crimes. The operation will have 2 principles: professionalism and safety. This will be an ongoing operation, to continue all year.

CS Officers will be mobilized to enforce laws concerning drugs, driving while intoxicated, dogs on the loose and the clean up of their feces, public urination, parking, littering, etc. The area they will concentrate on includes the NID boundaries and Riverview-Fisk Park. Shifts of the CS Officers will be arranged to overlap with one another, so the area will be pattrolled at all times. Hours will be shifted with the seasons and the seasonal needs of the community.

An intelligence unit will be formed, using plain clothes officers. Code enforcement officers (non-police) are in training now. The officers stressed that communities members are (or should be) intelligence gatherers for the police. Intelligence includes information about times, places, observations, and identifications of any illegal activities.

We can contact Sgt Lisi at the North District, at 547-5350. If he's not in and a problem needs immediate attention, ask for them to contact Sgt Lisi. He plans to be out in the field, but will arrange with the phone handlers to forward concerns about quality of life or block association issues to him.

In a question & answer session, several topics were discussed.

a) Roxy Club: There were questions about the status of the Roxy on Franklin Street as a private social club. Although they are limited in what they can do without probable cause, the CS police can certainly introduce themselves to local businesses, and make observations for later reference in the process. Sgt Lisi plans to do this in the case of the Roxy. Concerns are based on long running problems over the years, where loud & disorderly behavior spills out onto the street, and continues into the early morning hours.

b) Pit bulls on the loose (and other dogs too): Sgt Lisi himself has been bitten by a pit bull, and takes the issue seriously. If police intervene in a dog fight, the dogs will be removed from the

owner (for the protection of the dog). Ufredo Merchan, the NID manager, pointed out two relevant ordinances: it is illegal for a minor (under 18) to own a 'dangerous animal', and the owner of such a dangerous dog must carry $5000 liability insurance.

c) 439 Palisade Avenue: This building has been partially boarded up for about six months, but is still being used by children, prostitutes, and drug users. Sgt Lisi suggested that other traffic in the building may represent looters looking for copper pipe and other building valuables. A family is squatting in another building located in the back. Brian Henry of the City's Abandoned Building department has said that they are 'just waiting for the lady to move out' before taking further action. [This building was finally bordered up during the month of April.]

Riverview NID Program:

Ufredo Merchan, NID manager, reported on recent NID developments. Recently, potholes have been fixed, and several properties with trash and garbage have been cleaned up. The treescape program will be (finally) planting trees 'as soon as the weather breaks'. Ufredo will check whether the cut down or dead trees in the Park can be replaced at the same time.

Ufredo also addressed several concerns from the floor. There was a complaint about the perpetually littered Ravine Road (aka New York Avenue). The Incinerator Authority has said they will clean this 'when the weather breaks', but they have been able to clear out the overgrown area of Mountain Road that runs behind Ogden Avenue houses on the cliff. A suggestion was made that City inspectors investigate dump sites - searching the contents of dumped trash for the dumper's identity.

Some members expressed problems with the Harbor View Health Care Center. There was a complaint about loud music in the 'Quiet Zone' around the Center. There were also reports of delivery trucks traveling the wrong way on Ogden Avenue. There were parking concerns, especially at the corners and driveways. And some concerns about Harbor View's own possible infringements of zoning variances made for them concerning the parking lot and the ambulance zone. [A representative from Harbor View is scheduled to attend the May meeting and discuss this problems with the membership.]

RNA Business:

Maria Tuzzo attended two recent events of interest. Barbara Petrick recently received her doctorate, and the Jersey City Museum held a reception for her. Also, 29 local women, including Pat Lambert of Palisade Avenue, were recognized in the 3rd Annual 'Women of Action' ceremonies at City Hall.

There was a lengthy discussion about the upcoming renovation of Mountain Road: primarily about the direction that the one-way traffic should flow. A motion was made and passed to support the reopening of Mountain Road with traffic flowing in an East-to-West (uphill) direction.

RNA is sponsoring a senior league for players who are 18 years and older in the 1996 summer basketball program. Last year, the City limited participation to players who were under 18 years of age because of limited funding. This year, the senior players will seek independent funding for their league, and have asked RNA to contribute to the fund with $100. The remainder of funding would be sought from other sources. The money would be used to buy tee shirts, pay referees, and cover other expenses. A motion was made and passed to contribute $100 to this senior basketball league.

Kathy Packard, Secretary

FOR YOUR INFORMATION:

Pit Bull Owners Beware!

[Periodically, NID manager Ufredo Merchan will research and publish municipal ordinances in the RNA newsletter to educate the community on quality of life issues.

There have been many complaints about pit bulls and other vicious dogs. These complaints center around walking the dogs without a leach, especially in the Park and teaching the dogs to fight and be vicious animals. Therefore, the first ordinance Ufredo has submitted deals with the responsibilities of an owner of a vicious dog.]

Jersey City Ordinance-Section: 90-17. **Duties of vicious or dangerous dog owners.**

Ownership of a vicious or dangerous dog is subject to the following regulations at all times:

A. A vicious or dangerous dog shall not be owned by any person under the age of eighteen (18) years of age.

B. The owner of a vicious or dangerous dog must provide a proper enclosure to confine a vicious or dangerous dog together with the posting on the premises of a clearly visible warning sign that there is a vicious or dangerous dog on the property. Further, the owner shall conspicuously display a sign with a warning symbol that informs children of the presence of a vicious or dangerous dog.

C. No owner of any vicious dog shall allow such dog outside of the dwelling of the owner or outside the enclosure unless the dog is securely and humanely muzzled so that it shall be impossible for it to tear or otherwise wound with its teeth any human being or animals and shall be in the charge of a competent person over the age of eighteen (18) and securely held by a chain or leash not more than six (6) feet long.

D. No owner of any dangerous dog shall allow such dog outside of the dwelling of the owner or outside the enclosure unless the dog is in the charge of [a] competent person over the age of eighteen (18) ands securely held by a chain or leash not more than six (6) feet long so that it shall be impossible for it to tear or otherwise wound with its teeth any human being or animals.

E. Dogs shall not be declared vicious or dangerous if the threat, injury or damage was sustained by a person who at the time was committing a willful trespass or other tort upon the premises occupied by the owner of the dog or was tormenting, abusing or assaulting the dog or

has, in the past, been observed or reported to have tormented, abused or assaulted the dog or was committing or attempting to commit a crime.

F. Any vicious or dangerous dog shall be immediately taken into custody and impounded or caused to be taken into custody and impounded by an animal authority pursuant to Section 90-21 if the owner of the vicious or dangerous dog is in violation of this section. Thereafter, the dog may be destroyed or disposed of as provided by Section 90-21.

G. Any person who violates this section shall be subject to a fine of one thousand dollars ($1,000.00) or imprisonment for a period up to six (6) months, or both.

Community Updates:

CONSTRUCTION ON OGDEN AVENUE

(The following is an update on the construction occurring at 234-236 Ogden Avenue and 117-119 Mountain Road, Jersey City [Block #750 - Lots 55, 56, 139, 140]).

On April 10, 1996, the Jersey City Building Department has issued another Stop Work Order for the unauthorized construction that was occurring at 117-119 Mountain Road since the end of March. The order, signed by Micheal Regan, the Construction Official, stated that "all work must cease and desist forthwith" because the developer was in violation of the New Jersey Administrative Code for "failure to secure proper permits for work." The order continued: "permission to resume construction may be obtained from this enforcing agency after the following conditions are met: prior applicable approvals have been received and proper permits for work secured."

From all appearances, this work included construction of a new metal roof with support beams, a staircase to the roof and vertical support beams erected on the roof.

In addition, the adjacent property owners have appealed the Board of Adjustment's December 1995 resolutions to the Superior Court. The Board's resolutions affirmed the Zoning Officer's decision to allow construction on the property line for this project without variances.

RNA NEEDS VOLUNTEERS FOR A LOCAL ZONING SURVEY

In January, members of RNA met with Robert Cotter, the Director of Planning to discuss a project that will help protect our residential neighborhood by limiting future development.

Mr. Cotter wants to upgrade the Master Zoning Plan for Jersey City for the purpose of accurately reflecting the residential areas in the City. He needs an up-to-date block-by block map of the City, which would include the residential one and two family homes, the apartment buildings and the businesses. He has begun that process by asking the help of neighborhood groups to complete individual block surveys of their communities.

During the summer, RNA has volunteered to make a survey of its own ten block area. Ten volunteers are needed, preferably one from each block in RNA, to complete a survey of the buildings on their block. We will discuss this at the next meeting.

SUMMER CONCERTS IN THE PARK

The Department of Recreation & Cultural Affairs has organized another series of live music concerts to be held in the neighborhood parks throughout the City. Riverview-Fisk Park will host three of these concerts during the months of July and August. The events are being sponsored by the Francisan Health System, Christ Hospital and Natwest Bancorp of N.J.

The groups and dates for our local concerts are:

1) **Wednesday, July 10**: "BETTER OFF DEAD" (blues and old R& B music);
2) **Thursday, August 8**: "TEMPO CALIENTE" (progressive salsa music); and
3) **Thursday, August 29**: "JOHN ECKERT QUARTET" (classic jazz music).

Special thanks to Joey George, our neighbor and local rock and roller, for coordinating this live music series. For more information, call 547-5018.

JERSEY CITY CULTURAL ARTS FESTIVAL

The Division of Cultural Affairs is sponsoring its **22nd Annual Jersey City Cultural Arts Festival** in Liberty State Park on Sunday, June 9, 1996 between the hours of 12 noon and 6 PM. This year's theme is "A Salute to the Olympics" and the great athletes from the around the world.

The Festival will be a celebration of art, music, dance, ethnic cuisine and various sporting exhibitions. Artists, performers, exhibitors or vendors interested in participating in this event, should contact Joey George, the Festival Director, at 547-5018. [An application can be found on page eight.]

RNA MEMBERSHIP DUES

RNA membership entitles you to nine issues of our newsletter, and if you live within the boundaries, voting privileges in the organization. Please support your community by paying your **$5.00** dues at the next meeting, or sending a check, payable to RNA, to 232 Ogden Avenue.

CONTRIBUTE TO YOUR NEWSLETTER

Drop off articles, comments or recipes in the mailbox, attached to the gate, at 232 Ogden Ave. Mark the envelope, "RNA NEWSLETTER." The next deadline is **Friday, May 31, 1996.**

RECYCLE YOUR GARBAGE AND DISPOSABLES - IT'S THE LAW!

Bulletin board

IN SYMPATHY

RNA wishes to express our sympathy to longtime member, Rose Scalzo, for the recent death of her husband Charles. Charlie, as he was affectionately known, was a quiet unassuming man, who was an avid supporter of our organization. While a long illness kept Charlie from attending meetings regularly, Rose kept him informed about neighborhood events. He was always willing to listen to the latest RNA news whenever you chanced to meet him or visited them at home. His opinions were usually right on target. Charlie will be missed by his friends and neighbors.

From Valerie's Kitchen:

Italian Rice Pie

INGREDIENTS:

- 1 uncooked pie crust
- 1 cup of uncooked rice
- 6 egg yolks
- 1 1/2 cups of sugar
- 1 cup of ricotta cheese
- 1/4 teaspoon of salt
- peel of 1/2 grated orange
- 1 quart of heated milk

1) Cook rice in 2 cups of water and let it boil for 10 minutes.
2) Drain rice and add to hot milk and cook for 15 minutes.
3) Let this rice and milk mixture cool.
4) Add sugar, ricotta, egg yolks and salt.
5) Add this mixture to the pie crust.
6) You can make lattice strips on top of the crust.
7) Bake at 450 degrees for ten (10) minutes; then lower temperature to 350 degrees and bake for one hour.

Happiness in May

Life is a celebration of many splendid things,
You only have to look to find just a few,
Birthdays, happy music, a cup of hot cocoa,
Best friends, a picnic in the Park, puffy clouds, Love!
Spring, rain, flying a kite on a windy day, cuddly dogs,
curious cats, a double scoop ice cream cone,
A surprise party, colorful fish, a bright sunny day,
Chirping birds, weddings, a carousel ride,
Belonging to the RNA as a member,
Remembering my birthday on May 11th,
Mother's Day on May 12th,
and also looking forward to the
RNA Flea Market
on June 1st.
Happy Spring!

Madeline Rea

POLICEBEAT

Residents can contact their **Community Service Police Officers Scott Schnee and Lorenzo Tosado** if they have a problem, a safety concern or knowledge of criminal activity at **547-5350** (the North District station's frontdesk) or **547-5719** (community service number). When leaving a message, include your name, telephone number, street address, the nature of the problem and a date and time of the message. All calls will be kept confidential.

In addition, anyone with information about illegal drug use and/or drug dealing, should contact the JCPD Narcotics Unit at 547-5391. Ask to speak to Sgt. Jimmy Melendez of the North District. All calls will be strictly confidential.

A **Community Service Survey** form is reprinted below. The purpose of the form is to alert the police to particular chronic problems in our neighborhood. Please fill the form out and mail it to the North District at 282 Central Avenue. (You can remain anonymous.)
